Who should apply

Winter Fuel Payment is only available to people living in England, Wales and Northern Ireland. Most people who are eligible for Winter Fuel Payment will get it automatically and do not need to apply.

Only fill in this form if:

- we have asked you to, or
- you do not get any DWP benefit or pension but you have reached State Pension age and want to claim Winter Fuel Payment.

To find out more visit www.gov.uk/winter-fuel-payment

The Winter Fuel Payment you get is based on your circumstances in the qualifying week. You need to have reached State Pension age before or during the qualifying week to get Winter Fuel Payment. For winter 2026/2027 the qualifying week is **21 September to 27 September 2026 inclusive**.

If your personal income is more than £35,000, HMRC will take back your Winter Fuel Payment through the tax system.

Immigration status

If you are subject to immigration control, you **cannot make a claim** for a Winter Fuel Payment. If a claim is received from a person subject to immigration control then it will be disallowed.

A person who is subject to immigration control is a person who:

- does not have permission to enter or stay in the United Kingdom (UK), or
- has permission to enter or stay in the UK but cannot claim public funds, or
- is a sponsored immigrant who has been in the UK for less than 5 years, or whose sponsor dies before they have been in the UK for more than 5 years.

A sponsor is another person who is responsible for an immigrant's maintenance and accommodation. You can find out more about immigration control at www.gov.uk

If you are not a British or Irish citizen and your immigration status changes, we need to know. If you are a European Union, European Economic Area or Swiss citizen and were living in the UK by 31 December 2020 but have not applied to the EU Settlement Scheme, you and your family must apply straight away.

If you have lived in the UK for 5 years or more in a row, you can apply for settled status. If you have pre-settled status this will not expire. It may be beneficial for you to apply for settled status if you have lived in the UK for 5 years or more in a row.

If you do not have a valid immigration status, you may not get Winter Fuel Payments.
