Finance Committee's Report

Year ended 31 December 2025

The officers present their report and the financial statements of the trade union for the year ended 31 December 2025.

Principal activities

The principal activity for the year under review was that of a trade union.

Officers

The officers who served the trade union during the year were as follows:

S Bond	General secretary
S Bashford	President
S Boon	CEO

Finance committee's responsibilities statement

The finance committee is responsible for preparing the finance committee's report and the financial statements in accordance with applicable law and regulations.

Trade union legislation requires the committee to prepare financial statements for each financial year. Under that law the committee has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The officers must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the trade union and the income and expenditure for that period.

In preparing these financial statements, the committee are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the trade union will continue in business.

The committee is responsible for keeping adequate accounting records that are sufficient to show and explain the trade union's transactions and disclose with reasonable accuracy at any time the financial position of the trade union and enable them to ensure that the financial statements comply with Trade Union and Labour Relations (Consolidation) Act 1992 and Industrial Relations (Northern Ireland) Order 1992 (as amended). They are also responsible for safeguarding the assets of the trade union and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Each of the persons who is an officer at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the trade union's auditor is unaware; and
- they have taken all steps that they ought to have taken as an officer to make themselves aware of any relevant audit information and to establish that the trade union's auditor is aware of that information.

National Crime Officers Association

Independent Auditor's Report to the Members of the National Crime Officers Association

Year ended 31 December 2025

Opinion

We have audited the financial statements of the National Crime Officers Association for the period ended 31 December 2025 which comprise the income and expenditure account, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the trade union's affairs as at 31 December 2025 and of its results for the period then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992 and Industrial Relations (Northern Ireland) Order 1992 (as amended).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the trade union in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the finance committee's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the trade union's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the finance committee with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The finance committee are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

National Crime Officers Association

Independent Auditor's Report to the Members of the National Crime Officers Association

Year ended 31 December 2025

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the trade union and its environment obtained in the course of the audit, we have not identified material misstatements in the financial report.

We have nothing to report in respect of the following matters to which the Trade Union and Labour Relations (Consolidation) Act 1992, the Trade Union Reform and Employment Rights Act 1993 and Industrial Relations (Northern Ireland) Order 1992 (as amended) require us to report to you if, in our opinion:

- adequate accounting records have not been kept by the trade union, or returns adequate for our audit have not been received from branches not visited by us; or
- the trade union has not maintained a satisfactory system of controls over transactions; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not obtained all the information and explanations necessary for the purposes of our audit.

Respective responsibilities of the finance committee

As explained more fully in the Statement of the Finance Committee's Responsibilities, the finance committee is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the finance committee determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the finance committee is responsible for assessing the trade union's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the committee either intend to liquidate the trade union or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

National Crime Officers Association

Independent Auditor's Report to the Members of the National Crime Officers Association

Year ended 31 December 2025

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Our approach to identifying and assessing the risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulations, was as follows:

- the engagement director ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the trade union through discussions with the members and from our commercial knowledge and experience;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the trade union;
- we assessed the extent of compliance with the laws and regulations identified through making enquiries of members; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

We assessed the susceptibility of the trade union's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of members as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation; and
- enquiring of members as to actual and potential litigation and claims;

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the committee and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

A further description of our responsibilities is available on the Financial Reporting Councils website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Notes to the Financial Statements

Year ended 31 December 2025

1. General information

The trade union is registered under the Trade Union and Labour Relations Act 1992 and Industrial Relations (Northern Ireland) Order 1992 (as amended). The address of the registered office is 25 West Tenter Street, London, E1 8DT.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Revenue recognition

Members subscriptions and commissions received are accrued so that the amount disclosed in the Income and Expenditure Account relates to the period under review. Amounts deducted by pay centres at the year end are brought into the Income and Expenditure Account and included in current assets within debtors.

Cash and cash equivalents

Cash and cash equivalents are basic financial assets and include cash in hand, deposits held at call with bank, other short term liquid investments with original maturities of three months or less, and bank overdrafts.

Financial instruments

The trade union has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the trade union's Balance Sheet when the trade union becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the net asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised costs using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Corporation tax

The taxation expense, recognised in the Income and Expenditure Account, represents the amount of current tax recognised in the reporting period.

Current tax is recognised on taxable income for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

We confirm that the following representations are made on the basis of enquiries of the officers, management and staff with relevant knowledge and experience and, where appropriate, of inspection of supporting documentation sufficient to satisfy ourselves that we can properly make each of the following representations to you:

- (a) We have fulfilled our responsibilities as officers of the trade union for preparing financial statements, in accordance with applicable financial reporting framework. We confirm that in our opinion the financial statements give a true and fair view and in particular that where any additional information must be disclosed in order to give a true and fair view that information has in fact been disclosed. We confirm that the selection and application of the accounting policies used in the preparation of the financial statements are appropriate, and we approve these accounts for the year ended 31 December 2025.
- (b) We confirm that all accounting records have been made available to you for the purposes of your audit, in accordance with your terms of engagement, and that all transactions undertaken by the trade union have been properly reflected and recorded in the accounting records. All other records and related information have also been made available to you. We have given you unrestricted access to persons within the trade union in order to obtain audit evidence and have provided any additional information that you have requested for the purposes of your audit.
- (c) We acknowledge that it is a criminal offence to make a false statement in this regard, and where any officer either makes a false statement; is aware that the statement is false; is reckless in preventing this statement; or fails to take reasonable steps to prevent the finance committee's report being approved, we acknowledge that each officer will be guilty of a criminal offence.

- (d) We confirm the trade union has satisfactory title to all assets and there are no liens or encumbrances on the assets, except for those disclosed in the financial statements.
- (e) We confirm that the methods, significant assumptions and data used by us in making accounting estimates and the related disclosures, are appropriate to achieve recognition, measurement or disclosure that is in accordance with the applicable financial reporting framework.
- (f) We confirm that we have no plans or intentions that may materially alter the carrying value and, where relevant, the fair value measurements or classification of assets and liabilities reflected in the financial statements.
- (g) We confirm that the trade union has no liabilities or contingent liabilities other than those disclosed in the financial statements.
- (h) We confirm that all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for in accordance with the applicable financial reporting framework
- (i) We confirm that there have been no events since the balance sheet date which require disclosing or which would materially affect the amounts in the financial statements, other than those already included in the financial statements.
- (j) We confirm that we are aware of the definition of a related party for the purpose of the accounting framework being applied in the preparation of the account. We confirm that all related party relationships and transactions have been accounted for and disclosed in accordance with the applicable financial reporting framework.

We also confirm that we are not aware of any allegations of fraud by employees, former employees, analysts, regulators or others.
- (q) We confirm that, in our opinion, the trade union's financial statements should be prepared on the going concern basis on the grounds that current and future sources of funding or support will be more than adequate for the trade union's needs. In reaching this conclusion, we have taken into account all relevant matters of which we are aware, including the availability of working capital and have considered a future period of at least one year from the date on which the financial statements will be approved.
