Product Description	A face-tracking webcam designed for use in virtual reality environments.
Country of Origin	Japan
Counterfeit	No
Risk Level	Not provided
Risk Type	Fire
Risk Description	The product presents a risk of fire because the design and assembly of the housing may provide inadequate support for the internal circuit board, causing it to become detached during normal use. This may cause internal electrical components to come into contact with one another, resulting in a short circuit and presenting a risk of overheating and fire. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016.
Corrective Measures	The product has been recalled from end users by AoharuNEXT Inc.. Consumers should stop using affected products immediately and visit https://www.aoharunext.co.jp/en/support/recall to complete a recall form and arrange a replacement.
