Post-16 pathway qualifications implementation timeline

This image is a Gantt chart displaying the tasks listed in the 16-19 Pathways Implementation Plan, under the heading Implementation timeline. The chart shows the timeline running from left to right, starting in September 2026 and ending in 2030. Tasks are shown in two strands of work:

- subjects, content and qualification development - with a separate horizontal line of tasks related to new qualification subjects introduced in 2027, 2028, 2029 and 2030
- provider transition - as a single line of related tasks.
