Amdelne Tri-Proof Light	
Aspect	**Details**
Images	
PSD Number	2609-0076
Product Type	Lighting equipment – Mounted Lighting
Product Identifiers	Brand: Amdelne Model: LQ2-120W3660YN Batch code: TG2026-04 Other product identifiers: Q052, RV913258-260420-0014 1LO013269, 913258-06-4LQ03002WG, SP13309-20260420 Manufacturer: Xingxinhong Technology Co., Ltd
Product Description	A ceiling-mounted strip light with wall plug.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Electric shock
Risk Description	The product presents a serious risk of electric shock because it is designed so that multiple light units can be connected together in a "daisy-chain" arrangement using connectors on each end of the fitting. To connect an additional light, a protective cover must be removed, which exposes live and neutral pins at mains voltage. If the connector is left uncovered, or if a connected light or linking cable is removed, users can access live parts and receive an electric shock. The product was also supplied with a counterfeit fuse which may fail to provide adequate protection in fault conditions. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs and Sockets etc. (Safety) Regulations 1994.
Corrective Measures	The import has been rejected at the border and destroyed.
Online Marketplace	N/A
Notifier	Local Authority Trading Standards
