| Risk Level                     | High                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| Risk Type                      | Electric Shock and Fire                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
| Risk Description               | <p>The product presents a high risk of electric shock because the UK plug supplied with the product does not conform to the dimensional requirements of BS 1363 and cannot make a secure connection to the socket. This could lead to the user receiving an electric shock when plugging in and using the product. The product could also overheat whilst in use, presenting a risk of fire.</p> <p>The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008 or the Plugs and Sockets etc. (Safety) Regulations 1994.</p> |
| Corrective Measures            | The import has been rejected at the border and destroyed.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
