

Payroll – Private Sector and Non-Public Sector organisations

Requirements

- Data submitted should meet this data specification i.e. include all of the field names listed below .
- Current employees from all of your organisations payrolls (for example, monthly, weekly, and quarterly) should be provided.
- Ensure that there is only a single record for each employee i.e. details for individual employees with more than one post should be merged into one record. For example, for employees with multiple posts 'Gross pay to date' and 'Standard hours per week' for each post should be added together to give aggregated totals for those two fields. Other fields such as 'Date started', 'Sort code' and 'Bank account' should be provided from the main (highest earnings) post.
