Product Description	Dining set with glass table with metal legs, and four upholstered chairs.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	The product presents a risk of injuries because the table legs may detach from the tabletop due to a loose bracket. This could cause the table to become unstable or collapse unexpectedly, resulting in the glass tabletop shattering and creating a risk of cuts and lacerations from broken glass, or impact injuries if the table collapses onto a person. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The product has been recalled from end users by JD Williams. Affected customers have been contacted directly by the supplier. If you own this product and have not been contacted, stop using it and contact the supplier for a refund, repair or replacement.
