Product Description	An electric mobility scooter with wall plug and power supply for charging.
Country of Origin	China
Counterfeit	Unknown
Risk Level	High
Risk Type	Injuries
Risk Description	The product presents a risk of injuries because it does not provide adequate safety information and warnings to users. The absence of a clearly marked maximum user weight may result in overloading of the mobility scooter, and inadequate labelling of the drive-disengagement (freewheel) mechanism may lead to uncontrolled movement of the scooter. This could result in loss of control, collisions, falls, and injuries to the user or other persons. The product does not meet the requirements of the Supply of Machinery (Safety) Regulations 2008.
Corrective Measures	The import has been rejected at the border and destroyed.
