| <b>Risk Type</b>                        | Chemical                                                                                                                                                                                                                                                                                                                                                                                                                           |
| <b>Risk Description</b>                 | <p>The product presents a serious chemical risk because testing identified the presence of per- and polyfluoroalkyl substances (PFAS), including perfluorooctanoic acid (PFOA), above the permitted regulatory limit. Prolonged exposure to these substances may pose a risk to human health and may cause damage to the reproductive system.</p> <p>The product does not meet the requirements of the REACH Regulations 2008.</p> |
| <b>Corrective Measures</b>              | <p>The product has been recalled from end users by ASDA.</p> <p>If you own the product, stop using it immediately and return it to the nearest ASDA store for a full refund. You do not need a receipt.</p> <p>For more information, please see <a href="#">Product Recall: Mens Hiker Boots and Shoes</a> or contact ASDA on 0330 053 0111.</p>                                                                                   |
