Dear [REDACTED]

The Morgan Offshore Wind Project Generation Assets Order (the Order) – Variation 1 (Schedules 3 and 4)

On 22 September 2025 the Secretary of State for Energy and Climate Change granted consent for the Morgan Offshore Wind Project Generation Assets Order (the Order) which included in Schedule 3 and 4, deemed marine licences (DMLs) in accordance with Section 149 of the Planning Act 2008.

The Marine Management Organisation (MMO) received a request from Morgan Offshore Wind Limited to vary the DMLs contained within the Order. On 28 September 2026 the request was received to change the disposal site reference, set out in Part 1 and Part 2 of Schedules 3 and 4. Additionally, the MMO noted that the MMO head office address was outdated and as such, this has been amended in Part 1 of Schedules 3 and 4.

The MMO has now completed its consideration of these requests and, in exercise of the powers conferred by section 72(3) (d) of the Marine and Coastal Access Act 2009, has varied the DML as detailed in the Notice of Variation enclosed.

Also enclosed is a copy of the varied DMLs.

This documentation is publicly available on the MMO's website at:

In accordance with regulation 3 of The Marine Licensing (Notices Appeals) Regulations 2011, you may appeal the notice of variation to the First-tier Tribunal. If you wish to appeal then in accordance with rule 22(1)(b) of the Tribunal Procedure (First-tier Tribunal) (General Regulatory Chamber) Rules 2009 (SI 2009/1976) you have 28 days from the date of the sending of the notice of variation to send or deliver a notice of appeal to the First-tier Tribunal.
