2. Introduction

2.1. Background

The school level annual school census (SLASC) is a school level return collected annually from general hospital schools on the third Thursday in January. The data collected includes details of pupil numbers, pupils eligible for free school meals (FSM), pupils with special educational needs (SEN) and staff numbers.

Completion of the school level annual school census by general hospital schools is a statutory requirement.

2.2. Census date

The census date is the third Thursday in January, 21 January 2027

The statutory return date is Friday 12 February 2027.

2.3. Methods of data entry

The data should be submitted to the Department for Education (DfE) via the COLLECT (Collections Online for Learning, Education, Children and Teachers) system by direct manual input.

All schools and local authorities must access COLLECT through [DfE Sign-in](#), which gives you a single, secure point of entry to departmental IT systems and ensures that the data held is much better protected.

2.4. General notes

Please complete the collection, giving information about the situation in the school on census day, Thursday 21 January 2027.

By submitting the data, you are declaring the data submitted to be accurate.

You must inform the department immediately if the school closes.

If no entry is necessary, leave the space blank (unless otherwise instructed).

2.5. Publication of information

The information we collect in the data collection will assist the department with monitoring what is happening in schools and will be used to inform national policy development.

In order to fulfil its duty to protect public funds, the DfE may use information it holds to prevent and detect fraud. The department may also share such information, for the same purpose, with other organisations that handle public funds.

The department will also share information provided on the census with Ofsted and other inspectorates in so far as it is necessary for them to undertake their statutory duties.

As so many government bodies, agencies, educational researchers and commercial organisations find school data useful, we will, in future, publish more information about individual schools derived from this census and those in previous years. Information from the data collection is available through various publications. Any published data will meet the requirements of the General Data Protection Regulation (GDPR); for example, we would not publish any data that could identify an individual.

The DfE may pass information about schools to local authorities.

3. Guide to completing the data collection return

For school general information, please complete the school name and address, making any necessary changes to the pre-populated data in the correct section.

To amend data you must select edit and then select the line you wish to amend. This will automatically save when the user selects another line. The system will remain in edit mode until you select view.

3.1. School name and address

The fields that can be amended consist of:

3.6. Data items: section 3 free school meal (FSM) eligibility

You must identify how many pupils are eligible for free school meals. Only include pupils who meet the eligibility criteria, which includes receipt of certain benefits. Full details of the eligibility criteria can be found [here](#).

3.6.1 Free School Meals (FSM) entitlement

From the start of the 2026 to 2027 academic year, we are expanding FSM eligibility to all children from households in receipt of Universal Credit regardless of household earnings. Free school meals are available to pupils in receipt of, or whose parents are in receipt of, one or more of the following benefits:

- Universal Credit
- support under Part VI of the Immigration and Asylum Act 1999

A pupil is only eligible to receive a free school meal where both:

- a claim for this support has been made
- their eligibility has been verified by the school where they are enrolled or by the local authority

Households may also be entitled to a meal if they:

- are in receipt of income-related Employment and Support Allowance
- receive the guarantee element of Pension Credit
- meet criteria set out in separate guidance for [families with no recourse to public funds](#)

3.6.2 Targeted FSM

Children from households in receipt of Universal Credit with annual household earnings of £7,400 or less (the existing threshold for FSM prior to the expansion), will be eligible

for targeted FSM. In addition to receiving free meals, pupils eligible for targeted FSM will attract pupil premium and other disadvantage funding for their schools.

Pupil premium and other disadvantage funding is currently allocated in respect of pupils who are recorded in school census returns as eligible for FSM, or have been recorded as eligible for FSM in the past 6 years (referred to as Ever 6 FSM). From the start of the 2026 to 2027 academic year, Ever 6 FSM will be based on targeted FSM. This cohort is also used for accountability purposes.

Other education entitlements previously linked to eligibility for FSM, such as the Holiday Activities and Food programme (HAF) and the 'extended rights' element of school travel assistance, will also continue to be based on targeted FSM.

Households qualifying for free meals because they are in receipt of support under Part VI of the Immigration and Asylum Act 1999 will also be eligible for targeted FSM.

Households in receipt of Income-related Employment and Support Allowance or the guarantee element of Pension Credit or households with [families with no recourse to public funds](#) (NRPF) may also be eligible for targeted FSM.

3.6.3 Expanded FSM

Children from households in receipt of Universal Credit, with annual household earnings exceeding £7,400 will be entitled to expanded FSM (meals only). The free school meals data items consist of:

3.8. Data items: Section 5 teaching staff

Teachers are defined as full-time and part-time staff, who give some curricular instruction on a regular basis. The head teacher should be included whether or not he or she teaches.

Staff engaged solely in extra-curricular instruction should be excluded from this section. Any time spent by full-time or part-time teachers on extra-curricular instruction is also to be disregarded.

Extra-curricular instruction is defined as individual tuition for which an additional fee is payable. All other teaching activity should be regarded as curricular.

Do not include ancillary staff on this form such as classroom assistants or special needs support staff.

Teachers who are employed full-time on normal duties but undertake extra-curricular instruction, for example at lunch time or after the end of the normal school day, are to be entered as full-time. Teachers who are not employed full-time on curricular instruction are to be entered as part-time even if they are in the school full-time but part of which time is spent on extra-curricular instruction.

All part-time teaching staff regularly employed in the week commencing the 12 January 2026 should be included on the data return even if they are not in the school on census day (Thursday 15 January 2026).

The total number of hours, to the nearest hour, excluding lunch breaks (periods of 30 minutes and over being rounded up) worked by all part-time teachers should be entered. For example, 1 teacher employed for 2.5 hours and 1 teacher employed for 6 hours equal 2 part-time teachers employed for 8.5 hours, rounded up to 9 hours for recording purposes.

The teaching staff data items consist of:
