Product Description	Eskuta e-bikes which have been modified by third party distributor BR E bikes Ltd. The recall does not apply to all Eskuta e-bikes. If your bike has NOT been modified by BR E bikes Ltd, your product is not affected, and your bike is not included in this recall.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Injuries
Risk Description	The Eskuta SX-250 model e-bikes sold by BR Ebikes Ltd present a serious risk of injuries because they have been modified with concealed override switches beneath the seat. These modifications allow riders to bypass the legally mandated 15.5mph speed limit, reaching speeds of approximately 20mph. The products do not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The local authority is requiring the withdrawal of the products from the market and the recall of the products from end users. This recall only applies to bicycles that have received a speed modification by BR E Bikes. If your bike has not been modified by BR E Bikes, it is not affected by the risk above and it is not included in this recall. If you own a bike that has been modified by BR E Bikes, you should stop using the product immediately and contact BR E Bikes Ltd for a refund or replacement:
