Dear Section 62A Applications Team,

Please find attached a short addendum to my representation of 11 September 2026 on application S62A/2026/0159 (Maple House, Nos 8-16 (even) & 30-32 High Street and nos 1-7 Princes Parade, Potters Bar EN6 5BA), together with two indicative sketches of Block E.

The note relates to the main issue of living conditions for future occupiers and to paragraph 49 of the Issues Report. It is offered constructively, with suggested questions and conditions, and it corrects some of the policy references in my earlier representation.

I recognise that the representation period has closed and that I did not ask to speak. I would be grateful if the Inspector could take the note into account in writing. If that is not possible, please let me know so that I can pass the points to others who are entitled to speak. I emailed on 6 October asking about the deadline for this kind of material and have not yet had a reply.

Could you please acknowledge receipt, and let me know whether the Council and the applicant will be sent a copy?

I have copied Hertsmere's planning officer and Councillor Green.

Kind regards,

Daniel Bone MA Dip Arch RIBA MRTPI MAPM (Rtd)
