

S62A/2026/0157 Pencroft LTD, Laugherne Villa, Martley, Worcester. Valid Application Received, Comment Required Reminder

Section 62A Applications
Section 62A Applications

Many thanks are comments are as follows:

The Parish Council are concerned regarding Increase of traffic around that corner, where visibility is already poor.

The application is a substantial increase in buildings being proposed with additional 35 parking spaces.

The traffic data is from 2022 so is not up to date.

There are also no restrictions for the new buildings, so may not be used by Pencroft, could we ask for restrictions to be added?

There are properties around there, what impact will this increase have to noise levels and are there time restrictions for operations or can we ask for this to be a condition.

Kind Regards
Nikki Nicholson

Martley Parish Council Clerk
