Eligibility to Appeal

Individuals who did **not** submit a valid application before the closure of the scheme, on 23 July 2026, are not eligible to submit an appeal, as a substantive decision on their application was not taken.

Applicants who have submitted a valid claim and received an EGMP Review decision letter may submit one appeal against that decision within 28 days of being sent the outcome letter.

Applicants may submit one Appeal in relation to their EGMP Review application. The appeal must include all injuries that the applicant wishes to have reconsidered. Separate appeals for individual injuries will not be accepted.
