Product Identifiers	Brand: Decathlon Electric Assistance SUP model: 8771733 Battery model: 8853862 Electric Assistance SUP item code: 4682119 Battery item code: 5094260 Electric Assistance SUP barcode: 3583784325974 Battery barcode: 3608390815586 Sales period: 01/11/2022 to 12/10/2026
Product Description	A rechargeable electric assist motor and lithium-ion battery system designed to provide powered propulsion for compatible Decathlon kayaks and stand-up paddleboards (SUPs).
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Fire and Burns
Risk Description	The product presents a serious risk of fire and burns because water may infiltrate the battery, causing overheating and thermal runaway. This could lead to fire, or potential explosions. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The product has been recalled from end users by Decathlon. We recommend that you stop using the product immediately and return it to your nearest Decathlon store for a refund. Decathlon have also written to affected consumers and advised that affected products may be disposed of safely via their local household waste disposal site. Once the product has been disposed of, consumers should complete the Certificate of Disposal provided by Decathlon and return it to Decathlon by email for a refund. It is important that consumers check with their local centre in advance to confirm if the type of battery is accepted. For more information, please access the Decathlon website or contact their customer services via WhatsApp at +44 (0)748 306 8343 or by email at customer.enquiries@decathlon.com.
