Introduction H2001 - H2020

Introduction

H2001 All capital is to be taken into account unless it is to be[1]

1. treated as income **or**

2. disregarded.

1 UC Regs, reg 46(1)

Onus of proof

H2002 The claimant has to show that the capital can be disregarded. If there is no evidence to show capital can be disregarded, it is included when working out the amount of capital a claimant and their partner has.

What the DM decides

H2003 The DM decides if capital can be disregarded

1. at the date of claim, revision or supersession **and**

2. before it is valued.

Note: The DM does not have to know the value of capital to decide if it can be disregarded.

H2004

H2005 Capital is disregarded[1]

1. indefinitely **or**

2. for a period of up to 12 months **or**

3. for a period of up to 6 months **or**

4. for more than 6 months if it is reasonable.

Business assets

The law

H2021 [See ADM Memo 11/20] [See ADM Memo 10/20] Assets which are used wholly or mainly for the purposes of a trade, profession or vocation which the person is carrying on, are disregarded indefinitely[1].

1 UC Regs, Sch 10, para 7

Example

John owns an amusement arcade in Bournemouth. He stopped working in the arcade on 31 October and

claimed UC on 3 November. The assets of the business are a lease on the building, gaming machines and tools used to repair the machines. John states the value of these assets is £45,000. John also states that he is not going to sell the assets because he needs them when he opens the arcade again in the following April. The DM decides that the assets of the business can be disregarded.

Note: A different disregard applies if persons are not able to work in the business because they are ill or physically or mentally disabled and are going to start or return to work in the business (see H2231).

Meaning of business assets

H2022 Business assets include standard items such as machinery, vehicles, fixtures and cash held in the bank (including money held following the sale of assets). They may also include items such as customer lists and contacts, current and future contracts and goodwill.

H2023 In the event of their sale, assets may result in an income or capital receipt. A sale of an asset such as "work in hand" may result in an income receipt and so would be appropriate for inclusion in the profit and loss account[1]. Where doubt exists as to whether a particular asset would represent a capital or income receipt upon its sale, the principles of commercial accounting must be applied i.e. the approach that would be taken by an accountant or the HMRC to such a receipt or holding.

1 UC Regs, reg 57(3)

Meaning of gainful self-employment

H2024 A claimant is in gainful self-employment if for the purposes of UC, the Secretary of State has determined that

1. the claimant is carrying on a trade, profession or vocation as their main employment **and**

2. the earnings from **1.** above are self-employed earnings **and**

3. the trade, profession or vocation is organised, developed regular and carried on in expectation of profit[1].

Note: Please see ADM Chapter H4: Earned Income - self-employed earnings for details.

1 UC Regs, reg 64

H2025 People can be in gainful self-employment even if they have another job as an employee.

When people are working in the business

H2026 People are working in the business if they do some work for the business in a practical sense. There is no set definition of the type and amount of work that has to be done for the person to be classed as carrying on a trade, profession or vocation and the DM must decide each case on its merits[1].

1 R(IS) 14/98

H2027 A partner in a business managed and worked exclusively by others is not working in the business. Such people are often known as a "sleeping partner". Even if that person receives a share of the profits of the business he is not engaged in that trade, profession or vocation[1].

1 R(IS) 14/98

Personal injury compensation payments

H2028 Where a person has been awarded a payment in consequence of a personal injury to that person and the sum is

1. held in trust **or**

2. administered on behalf of that person by the court **or**

3. only able to be disposed of by the direction of the court

the amount shall be disregarded from the calculation of the person's capital[1]. Payments made from the Criminal Injuries Compensation Fund and the Thalidomide Trust will be included in this disregard.

Note 1: See H2170 for guidance on disregarding these payments where none of the circumstances above apply.

Note 2: Where H2028 **1.** applies any additional capital of the trust that is derived from that sum is also disregarded.

1 UC Regs, reg 75(1), (4) & (5)

Example

Diego received £150,000 in personal injury compensation and has placed that amount in a personal injury trust with an interest rate of 0.75%. The trust holds no other capital. The DM disregards £150,000 from the claimant's capital. After one year, the amount in the account has increased to £151,125. As the additional £1,125 represents capital derived from the personal injury sum, the DM applies the disregard to the full, increased amount held within the trust.

H2029 The meaning of made "in consequence of a personal injury" can include where the claimant's solicitor fails to secure the personal injury payment and the claimant sues their solicitor for professional negligence and receives a compensation payment to the value of what they should have received. However if any damages are also paid for any additional loss created by the professional negligence then this would not be disregarded[1].

Note 1: Payments of income from the trust are income from capital. However such income is disregarded (see ADM Chapter H5: Unearned income).

Note 2: This disregard does not apply if the injury was to a claimant's deceased partner[2].

Note 3: A payment made in relation to the costs of care associated with an unwanted child in a "wrongful birth" case is a payment made because of a personal injury, for instance in the case of a failed sterilisation or vasectomy.

Note 4: Payments made as compensation for injury to feelings do not fall within this disregard[3].

1 [2011] UKUT 102 (AAC), [2011] AACR 43; 2 R(IS) 3/03; 3 [2024] UKUT 196 (AAC)

H2030 Payments can only come within this disregard where the claimant or partner for whom the payment was made themselves suffered a physical and/or psychological injury. If there is any doubt as to what the payment was awarded for, then the DM should request sight of the papers awarding the amount. These should specify on what basis the award was made.

Example 1

Peter's wife was killed in a road traffic accident and he was awarded £36,000 which covered loss of earnings. As the award was not due to Peter suffering any injury to himself, then this amount would be taken in account when calculating his capital.

Example 2

Fiona received £100,000 as the result of an assault on her partner which resulted in his death. The award was for the psychological injury to Fiona arising from her witnessing the attack. As the amount was awarded for the injury to Fiona, the amount is disregarded in calculating her capital.

Payments by Victims' Payments Board

H2031 Where a person has been awarded a sum by the Victims' Payments Board, that sum shall be disregarded from the calculation of the person's capital[1].

Note: Payments by the Victims' Payments Board are made in respect of injuries caused by Troubles-related incidents that took place on or after 1.1.66 but before 12.4.10. The payments may be in the form of a lump sum or monthly payments.

1 Victims' Payments Regs 2020, reg 26(1)(a)

Premises occupied as the home

The law

H2032 The premises occupied by a person as their home is disregarded indefinitely. Only one set of premises can be disregarded[1]. In some circumstances, more than one property can make up the premises occupied as the home[2].

1 UC Regs, Sch 10, para 1; 2 Secretary of State v. Miah; R(JSA) 9/03

H2033 - H2036

Premises which have not been occupied as the home

H2037 Premises which

1. have been bought **and**

2. have not been lived in as the home by the claimant or any member of the claimant's family cannot be disregarded[1] as premises occupied as the home.

1 R(SB) 27/84.pdf

Premises not occupied as the home for a time

H2038 Premises usually occupied as the home are disregarded if

1. they are not occupied for a time **and**

2. the intention is to return to live in the premises as the home.

For example, if a person goes into residential care on a temporary basis and intends to return to the house which the person usually occupies as the home, the house is disregarded.

Croft land and small-holdings

H2039 Croft land and small-holdings can be treated as part of the premises occupied as the home if they cannot be sold separately.

More than one set of premises owned

H2040 If a claimant owns more than one set of premises, the DM will have to decide whether each set of premises can be disregarded as the premises occupied by a person as their home. Where a claimant has only one home that is spread over two physical buildings the DM should decide that each is the premises occupied as the home if each is normally occupied by the claimant.

H2041 Factors the DM should consider when deciding whether the claimant has only one home are

1. the proximity of the premises, the closer premises are to each other the more likely they are to be one home

2. who lives in each of the premises, for example whether

2.1 each of the premises is occupied by members of the claimant's family (see ADM Chapter E2: Benefit unit, awards and maximum amount) **or**

2.2 one of the set of premises is occupied solely by non-dependants

3. the reason for the purchase of more than one set of premises, for example whether it was

3.1 to avoid statutory overcrowding[1] **or**

3.2 an investment opportunity **or**

3.3 to have a

3.3.a weekend retreat **or**

3.3.b country cottage.

If **2.2**, **3.2** or **3.3** apply, the DM should decide that the claimant **does not** have only one home and therefore only one set of premises would be disregarded as the premises occupied as the home.

1 Housing Act 1985, s 325 & 326; Secretary of State v. Miah, R(JSA) 9/03

H2042 When considering whether the claimant normally occupies more than one set of premises as his home, the DM should decide that the claimant's home is the place where he

1. lives

2. eats

3. sleeps

4. bathes

5. relaxes

6. enjoys with his family.

Example 1

Keith and Elma have eleven children, eight of whom are at school and three of whom are in work. They all lived in a three bedroomed house. When Keith and Elma are advised of the rules of statutory overcrowding they purchase another three bedroomed house in the same street. There are two other properties between the houses Keith and Elma own. Elma and the five youngest children continue to live in the original house and the other children go to live in the newly purchased house. Keith lives, sleeps,

eats, bathes, relaxes and enjoys with his family the original house four days a week and the newly purchased house three days a week. Keith is made redundant and claims UC. The DM decides that Keith normally occupies both houses. The DM also decides that both houses are disregarded as the premises occupied as the home.

Example 2

Carys lives in Cambridge and is in receipt of UC. She inherits a cottage in Wales. Carys has relatives who live in Wales. She therefore decides to keep the cottage for her use when she visits her relatives. The DM decides that the cottage in Wales is not disregarded as the premises occupied as the home.

Example 3

Bruce owns a house in London. He gets a job in Manchester and buys a flat there to live in during the week. He spends the weekends at his house in London. Bruce loses his job and returns to London to claim UC. He states he will live in London but will visit his flat once a month in order to maintain it and possibly look for work in Manchester. The DM decides that Bruce does not normally occupy the flat in Manchester. The DM also decides that the flat in Manchester is not disregarded as the premises occupied as the home.

Example 4

Adam is single. He lives at 25 Station Road which is a semi-detached house. The house adjoining his, 27 Station Road, comes on the market after being uninhabited for two years. It is in a derelict condition. Adam buys it cheaply. He sometimes sleeps and eats at 27 Station Road while he undertakes the necessary repairs in order to let or sell it but he spends most of his time at 25 Station Road. Adam then suffers an injury at work and claims UC. The DM decides that as Adam purchased 27 Station Road as an investment it is not disregarded as the premises occupied as the home.

Example 5

Wasim and his wife Ruksana live in a four bedroomed house. They have twelve children. To avoid statutory overcrowding, Wasim and Ruksana buy another house in the street where they live. Their four eldest children, all of whom are aged over 21 live in this other house and Wasim, Ruksana and their other children do not spend any time there. Wasim is made redundant and makes a claim for UC. The DM decides that only the house where Wasim and Ruksana live can be disregarded as the premises occupied as the home.

Life insurance policies

The law

H2043 The value of a life insurance policy still in force is disregarded indefinitely[1].

1 UC Regs, Sch 10, para 9

Investments which include life insurance

H2044 Investments which include some life insurance are disregarded indefinitely if the agreement states how payment on death is worked out. It does not matter whether the amount paid on death is

1. more than **or**

2. equal to **or**

3. less than

the amount the person would get if the investment is surrendered the day before the date of death[1].

1 R(IS) 7/98

Money deposited with a housing association

H2045 Money deposited with a housing association is disregarded indefinitely if the money has to be deposited as a condition of living in the home[1]. A housing association is a non-profit making voluntary body formed with the aim of providing good quality low cost housing[2]. See H2235 for disregards where money is deposited with a housing association to purchase premises.

1 UC Regs, Sch 10, para 12; 2 Housing Association Act 85, s 1(1)

Occupational and personal pensions

The law

H2046 The value of any right to receive a pension under

1. an occupational or personal pension scheme[1] **or**

2. any other registered pension scheme[2]

is disregarded indefinitely[3].

1 Pension Schemes Act 1993, s 1; Finance Act 2004, s 153; 2 UC Regs, Sch 10, para 10

Payment made to holders of the Victoria Cross or George Cross

H2047 Any payment made to people because they hold the

1. Victoria Cross **or**

2. George Cross

is disregarded indefinitely[1].

1 UC Regs, Sch 10, para 19

Premises lived in by a close relative

The law

H2048 Premises that are occupied as the home by a close relative of a person are disregarded indefinitely where the close relative has

1. LCW **or**

2. reached the qualifying age for SPC[1].

1 UC Regs, Sch 10, para 2

H2049 A close relative in relation to a person means[1]

1. parent

2. parent-in-law

3. son

4. son-in-law

5. daughter

6. daughter-in-law

7. step-parent

8. step-son

9. step-daughter

10. brother

11. sister

12. where any of **1.** – **11.** is a member of a couple, the other member of the couple.

1 UC Regs, reg 2

Premises occupied by former partner

H2050 Premises that are occupied by a person's former partner as their home are disregarded indefinitely where the person and their former partner are not estranged but are living apart by force of circumstances, for example where the person is in long-term care[1].

1 UC Regs, Sch 10, para 3

H2051 - H2060

Special compensation schemes

H2061 Where a person receives a payment of capital from one of a specified type of compensation scheme, such a payment will be disregarded indefinitely from the calculation of that person's capital[1]. The compensation schemes are those established or approved by the Secretary of State or from a trust established with funds provided by the Secretary of State and are

1. for the purpose of providing compensation or support in respect of[2]

1.1 a person

1.1.a having been diagnosed with variant Creutzfeldt-Jakob disease **or**

1.1.b being infected from contaminated blood products (these schemes include The Fund, the Eileen Trust, MFET Ltd, SIBSS (in Scotland) and an approved blood scheme (in England and Wales)) **or**

1.2 the 2005 London bombings (the London Bombings Relief Charitable Fund) **or**

1.3 persons who have been interned or suffered forced labour, injury, property loss or loss of a child during the Second World War **or**

3. any payment made to provide compensation or support in respect of the Grenfell Tower fire[5] **or**

4. any payment made under the Mother and Baby Institutions Payment Scheme administered by the Irish Government[6].

Note 1: A child abuse payment may also include an element paid in respect of a person having been in "harm's way". This means that the person might not have suffered actual abuse but was in an environment where they were at risk.

Note 2: The National Emergencies Trust (registered Charity No. 1182809) was established in 2019 to co-ordinate the distribution of funds raised in response to domestic national disasters and emergencies.

Note 3: The Child Migrants Trust (registered Charity No. 1171479) is a scheme for former British child migrants who were separated from their families and sent overseas as part of the UK government's historic participation in child migration programmes.

Note 4: The Lesbian, Gay, Bisexual and Transgender Financial Recognition Scheme provides one-off payments compensating persons who were wrongfully dismissed, discharged or forced to resign from the armed forces due to their sexuality or gender identity.

1 UC Regs, reg 76(2); 2 reg 76(1)(a); 3 reg 76(1)(b); 4 reg 76(1A); 5 reg 76(1B); 6 reg 76(1E)

Vaccine Damage Payments

H2062 Payments derived from compensation as a consequence of persons becoming severely disabled following vaccination are disregarded indefinitely[1] where

1. a person receives a payment under relevant legislation[2] **or**

2. the partner of a person referred to in **1.** receives a payment which is derived from

2.1 that payment from that person **or**

2.2 their estate **or**

3. the payment is made to the personal representative of a person referred to

in **1.** where they

3.1 were the deceased person's partner immediately before death **and**

3.2 receive a payment from the person's estate.

1 UC Regs, reg 76(1C); 2 Vaccine Damage Payments Act 1979

Miscarriage of Justice compensation payments

H2063 Miscarriage of justice compensation payments are disregarded indefinitely[1] where

1. a person receives a payment as described in H2064 **or**

2. the partner of a person referred to in **1.** receives a payment which is derived from

2.1 that payment from that person **or**

2.2 their estate **or**

3. the payment is made to the personal representative of a person referred to in **1.** where they

3.1 were the deceased person's partner immediately before death **and**

3.2 receive a payment from the person's estate.

1 UC Regs, reg 76(1D)

H2064 For the purposes of H2063 a miscarriage of justice compensation payment means

1. a payment made under relevant legislation[1] **or**

2. any other payment made by the Secretary of State, the Scottish Ministers or, in Northern Ireland, the Department of Justice for the purpose of compensating a person for

2.1 a miscarriage of justice in criminal proceedings **or**

2.2 being wrongfully charged with a criminal offence.

1 Criminal Justice Act 1988, s133(1)

Contaminated Blood Scheme payments to persons not directly affected

H2065 Where a claim for UC is made from a person other than a person diagnosed with variant Creutzfeldt-Jacob disease or infected from contaminated blood or blood products, a payment

1. from a scheme established or approved by the Secretary of State **or**

2. from a trust established with funds provided by the Secretary of State to provide compensation for having been so diagnosed or infected **or**

3. which derives from such a payment

is disregarded in any of the circumstances in which it would be disregarded in relation to an award of SPC[1].

Note 1: See DMG 84426 et seq and DMG 84462 et seq for guidance on circumstances in which the capital is disregarded in SPC.

Note 2: This disregard also applies to a payment made out of the estate of a person deriving from a payment made to that estate under a scheme referred to above.

1 UC Regs, reg 76(3); SPC Regs, Sch V, paras 13 & 15

Example

Stephen is claiming UC. Stephen receives a payment of £20,000 from the estate of his late uncle. This money was originally paid directly to the estate of Stephen's uncle from an approved blood scheme as a result of being infected from contaminated blood products. As the payment from the estate of Stephen's uncle was derived from a payment made under an approved blood scheme, the DM decides that this payment can be disregarded indefinitely.

Post Office compensation schemes

H2066 In H2061 **2.3** the Post Office compensation schemes include[1]

1. the Capture Redress scheme

2. the Group Litigation Order scheme

3. the Horizon Convictions Redress scheme

H2067 - H2070

Arrears of Carer's Allowance after reassessment following Sayce Review

H2071 A payment received on or after 16.7.26 following a recalculation of CA under the Sayce Review[1] is disregarded indefinitely. Such a payment may be received where[2]

1. a decision was made about the claimant's CA entitlement due to fluctuating earnings between 10.4.15 and 2.9.25 **and**

2. that decision led to an overpayment of CA **and**

3. following a reassessment conducted since 13.4.26 the Secretary of State determines that the claimant's earnings should have been averaged.

Note: Arrears of CA that are not due to the reassessment exercise in **3.** are not disregarded.

1 Independent Review of Carer's Allowance Overpayments; 2 UC Regs, Sch 10, para 18ZB

Example 1

Freyja was in receipt of CA as a carer for her sister Greta but had also taken irregular shift work at a local convenience store, so that her earnings fluctuated and exceeded the earnings limit for CA four times in a nine-week period. On 10.12.24 a decision was made that Freyja had been overpaid £327.60 and that amount was recoverable as Freyja had not informed the Department of those earnings. However, after a review exercise concluded on 17.7.26 it was determined that, if the earnings had been averaged over the nine-week period, Freyja's earnings would have been under the earnings limit. The overpayment is cancelled and Freyja is refunded £327.60, representing a restoration of her CA entitlement. The £327.60 is disregarded indefinitely from Freyja's total capital when determining her UC entitlement.

Example 2

Anton receives arrears of CA of £4,853.45 following a successful appeal to the FtT after his claim made on 13.4.25 was refused. As these arrears are not associated with the reassessment exercise following the Sayce Review they are included in full in Anton's capital from the date of receipt.

H2072 - H2075

Payment included with other capital

H2076 If a payment referred to in paragraphs H2061 et seq above is included with other capital the disregard does not apply to the other capital.

H2077 If money is withdrawn from an account which includes both the disregarded payment and other capital accept the money withdrawn is from the other capital and not the payment. If there is evidence to show the money withdrawn is from the payment and not the other capital accept that evidence.

H2078 - H2080

Funeral plan contract

H2081 The value of a funeral plan contract is disregarded indefinitely. “Funeral plan contract” means a contract where a person makes payments to secure the provision of a funeral in the UK for the person on their death and where the sole purpose of the plan is to provide for a funeral[1].

Arrears of benefit

H2152 [See ADM memo 02-26] Any payment received within the previous 12 months by way of arrears of or compensation for late payment of certain benefits is disregarded[1]. Those benefits are

1. UC

Example

John received arrears of DLA amounting to £2,400 on 1.10.13. He claims UC on 24.2.14. The £2,400 arrears of DLA are disregarded when calculating his capital up to 30.9.14.

Arrears and concessionary payments of £5,000 or more

H2153 Where

1. a person has received a payment of arrears of, or compensation for non-payment of arrears of benefit

or AFIP[1] of £5,000 or more **and**

2. the payment

2.1 is received during the current UC award and the payment would be disregarded from the calculation of capital of the claimant if the claimant were entitled to an existing benefit[2] (see ADM M6003) or SPC **or**

2.2 was received during an award of an existing benefit or SPC (the earlier award) and the claimant became entitled to the current UC award within one month of the date of termination of the earlier award and the payment was disregarded from the calculation of the claimant's capital for the purposes of the earlier award **and**

3. the period of entitlement to benefit or AFIP to which the payment of arrears or compensation relates begins before the first day on which the abolition of existing benefits comes into force

the payment is disregarded for a period of 12 months from the date of receipt of the payment or until the termination of the current award, whichever is the later[3].
