Junior TAX facts

Follow-up Activity Sheet

option A:

Create a poster teaching someone your age all about tax.

Answer the below questions within your poster.

What is tax?

Who pays tax?

Why is it collected?

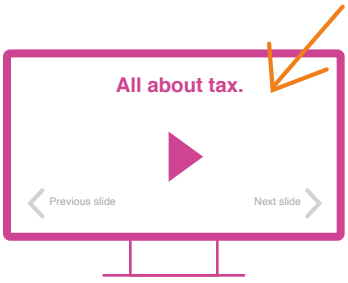

What does it pay for?

Whose job is it to collect tax?

Stretch: What different kinds of tax are there? Why is tax important?

option B:

Imagine you work for HMRC and are asked to create a presentation, on behalf of the department, teaching young people about tax.

Answer the below questions within your presentation.

What is tax?

Who pays it?

What does HMRC do?

Why is their work important?

Stretch: include the different kinds of tax you have learned about and explain the challenges government faces when it comes to taxes.

If you created a slogan for HMRC in your lesson, you can include this in your presentation.
