Product Description	Flame-retardant coverall with chemical and antistatic protection for professional work environments with high safety requirements.
Country of Origin	Lithuania
Counterfeit	No
Risk Level	Medium
Risk Type	Burns
Risk Description	The affected products are Category III PPE intended to provide protection against heat and flame, chemicals and electrostatic hazards. The manufacturer's routine monitoring revealed that the claimed flame-protection performance was not met for the product. There is risk of burn injury due to inadequate protection. The product is not in compliance with the Personal Protective Equipment Regulation (EU) 2016/425.
