Britax Römer SMILE III, 4 and 5Z Pushchairs	
Aspect	**Details**
Images	 Smile III Smile 4 Smile 5Z
PSD Number	2607-0090
Product Type	Childcare articles and children's equipment - Prams/Pushchairs/Strollers
Product Identifiers	Brand: Britax Römer Models: SMILE III, SMILE 4 and SMILE 5Z (only 5Z made prior to March 2024) For a full list of affected barcodes and manufacturing periods, please see Annex A.
Product Description	The SMILE III, SMILE 4, and SMILE 5Z are modular pushchairs suitable for infants from birth up to 22 kg.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	The product presents a risk of injuries because under certain conditions of use the front wheel locking mechanism may wear down. This may result in the front wheel detaching from the chassis during use, causing the pushchair to become unstable or fail, resulting in injury to the child. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The product has been recalled from end users by Britax Römer. Owners should check whether the front wheels detach without pressing the release button. If the front wheels detach, stop using the pushchair immediately and visit Britax SMILE III, 4 and certain 5Z made prior to March 2024 Safety Notice to register with Britax Römer to receive a replacement chassis or repair kit.
