Dear Secretary of State

I am writing as a local [redacted] to oppose the use of the urgent planning process for the proposal to accommodate up to 1,250 single adult male asylum seekers at Site A, MOD Bicester.

On 9 July, my MP Calum Miller was informed by a Defence Minister that the Home Office first approached the MOD about the use of this site in November 2025.

You will be aware that the use of the site for such a huge asylum camp is very unwelcomed locally. It is very important that local people, (and our local representatives in the councils, health board, police and other services) are given sufficient information and time to make an intelligent response.

It is clearly unreasonable for this to be considered “urgent”. The Government cannot secretly consider it for nine months and then give local residents a matter of days to contribute to a consultation with no reassurance that our views will be taken into consideration.

I am a mother with three teenage children whose safety I am concerned about in the event that such a large number of unchecked and unemployed single young men become part of our community. These are people who have not chosen to seek shelter in this country via lawful passage, and whose criminal history cannot be verified. As a UK business owner, tax payer, parent and law-abiding citizen I would expect my rights and values to be of importance to those who have chosen to represent the citizens of this country.

Can I therefore urge you to withdraw consent for this to be treated as an urgent application and instead insist that the usual planning process is followed, so local voices can be heard about a proposal that will affect us far more than any Secretary of State in London? I believe that to be a fair and reasonable request.

Yours sincerely
