Dear Secretary of State,

I am writing as a local resident to oppose the use of the urgent planning process for the proposal to accommodate up to 1,250 single adult male asylum seekers at Site A, MOD Bicester.

You will be aware that the use of the site for such a huge asylum camp is very controversial and widely opposed locally.

It is very important that local people come first, to have such a large number of men roaming the area is unthinkable and unsafe for the communities.

Very unhappy the way the government is handling such an important matter of illegal men entering this country.

Regards
