You don't often get email from [redacted]. Learn why this is important

Dear Secretary of State,

I am writing as a local resident and concerned parent to oppose the use of the urgent planning process for the proposal to accommodate up to 1,250 single adult male asylum seekers at Site A, MOD Bicester.

On 9 July, my MP, Calum Miller, was informed by a Defence Minister that the Home Office first approached the MOD about the use of this site in November 2025.

You will be aware that the use of the site for such a huge asylum camp is very controversial, potentially dangerous to local vulnerable resident, detrimental to an already struggling town – and widely opposed – locally. It is very important that local people – and our local representatives in the councils, health board, police, other services and local residents – are given sufficient information and time to make an intelligent response.

It is clearly unreasonable for this to be considered "urgent". The Government cannot consider it for nine months and then give local residents a matter of days to contribute to a consultation.

I therefore urge you to withdraw consent for this to be treated as an urgent application and instead insist that the usual legal planning process is followed, so local voices can be heard about a proposal that will affect us far more than any Secretary of State in London?

Yours sincerely,
