Dear Secretary of State

I am writing as a local resident to oppose the use of the urgent planning process for the proposal to accommodate up to 1250 single adult males, asylum seekers, at Site A MOD Bicester.

My MP Calum Miller was informed only on 9th July 2026 by a Defence Minister that the Home Office first approached the MOD about the use of this site in November 2025.

You will be aware that the use of the site for such a huge asylum camp is very controversial and widely opposed locally. It is very important that local people, our local representatives in the councils, police, health board and other services are given sufficient information and time to make an intelligent response. It is clearly unreasonable for this to be considered urgent. The Government cannot just consider it for 9 months and then give us locals a matter of just days to contribute to a consultation.

Can I therefore urge you to withdraw consent for this to be treated as an urgent application and instead insist that the usual planning process is followed so that local voices can be heard about a proposal that will affect us far more than any Secretary of State in London.

Yours sincerely
