> You don't often get email from [redacted] Learn why this is important

Dear Sir/Madam,

I have been sent kindly sent an email on the above Bicester planning application and wonder would it be possible to guide me through the relevant planning documents please ? I seem to be unable to locate drawings of the proposed new buildings for the development and would be grateful if you would be able to point me in the right direction. I feel unable to make a representation as requested ahead of the September 19 deadline if I am unable too see what the proposal contains.

Kind Regards
