Subject: Objection to planning application PCU/RARE/C3105/3378843, Site A, MOD Bicester

Dear Secretary of State,

I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE.

I ask that planning permission be refused.

I have concerns about the completeness of the evidence submitted with the application. But more importantly - the total suitability of the site with regards to it being in a rural area where us villagers will be outnumbered many times by your ' clients'. I do not believe an 'open' development accommodating up to 1,256 young men should be approved.

The proposal is exceptionally large for an isolated rural location with little surrounding infrastructure, limited public transport and few services within walking distance.

I am concerned that the extremely short representation period does not provide sufficient time for residents, councils and technical specialists to properly examine such a substantial and complicated application.

We already have HS2 , East West rail and new prisons being forced upon us - and now this!!

This site was previously considered for asylum accommodation. A smaller proposal was refused by an independent Planning Inspector before subsequently cancelled.
I therefore respectfully request that planning permission be refused.

Why can't we make asylum accommodation that does not permit day release? We cope with 2 prisons in our area with out complaint as they are no threat to our wellbeing.

Yours sincerely
