Sir

I am extremely worried about this proposal deeply affecting a tiny village, which has been done without consultation.

This sort of imposition onto rural communities, of large numbers of illegal migrants, the vast majority being male, is highly dangerous and must be stopped.

Text from Piddington.

"On 15 September—Battle of Britain Day and UN Democracy Day—our village votes.

Meanwhile, the Government proposes a huge asylum site while redacting vital details on water, sewage, electricity and operations.

After repeated questioning, Andy Burnham still cannot provide the answers.

This is peaceful. This is legal. This is democracy."
