OBJECTION TO PCU/RARE/C3105/3378843

I STRONGLY OBJECT TO THE ABOVE PLANNING APPLICATION SUBMITTED BY THE HOME OFFICE RELATING TO THE URGENT CROWN DEVELOPMENT APPLICATION FOR MOD BICESTER (SITE A)

SITE: BICESTER GARRISON, LAUNTON ROAD, OXFORDSHIRE, OX25 1AE.

This is NOT an appropriate site for the following reasons;

1. It is in a precarious, unacceptable position which dwarfs local villages putting them at risk from the UNKNOWN and UNDOCUMENTED people who will occupy the site.
2. There are insufficient amenities including water, sewage, and electricity. There are NO local towns that the occupants can visit unless the Government are going to use TAX PAYERS money to ferry these men into the nearest towns, which is also UNACCEPTABLE to me as a TAX PAYER.
3. There has been no RISK ASSESSMENT completed.
4. It is NOT acceptable to place between 1,256 and 3,510 fighting age, sexually active men in this environment putting local women and children at high risk of rape and assault.
5. This application is NOT of National Importance. The UK does NOT need these facilities; the HOME OFFICE NEEDS to STOP THE BOATS. THAT, is the answer to the situation the HOME OFFICE has put this country in!

In the event this application is approved the HOME OFFICE and the authority authorizing this UNSAFE application will be held accountable for ANY occurrences of a criminal nature!
