Good morning
I writing to object the planned site at MOD Bicester site A, this is a very concerning plan putting 1250 men in a location that's far out weighted for such a small established village, local towns and village can not cope with the population that already exists, local amenities are over run with what already exists,
Thought needs to be given to the safety of local young women and children, your own government stats will show the increased crime rate once these camps are in place , this crime includes r[redacted] on innocent people, it's also a concern regarding the number of these men who are seen to be carrying [redacted]
I have a young family living just a few miles from this planned camp and I'm very concerned for my family and loved ones
