Objection to Urgent Crown Development Application MOD Bicester (Site A)
Application reference: PCU/RARE/C3105/3378843
Site: Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE
Applicant: Home Office

I vehemently object to this proposal. There is not enough transparency of what is happening to get the site ready e.g. utilities & more shockingly how many illegal men are expected. The proposal contradicts itself. Are there 1256 or 3500?

A little village such as Piddington cannot sustain this unwanted invasion & why should they?

Allowing unvetted illegal migrants to freely roam, not knowing their backgrounds, so therefore you are knowingly endangering the life of the local people & it is a massive risk. I'd like to see the risk assessment that has been drawn up, because it is a huge, huge risk.

The whole country is at risk so where are these risk assessments please?

My grandfathers, as i'm sure did your ancestors, fought to protect this country from invasion. You have allowed all their sacrifices to be in vain.

I am deeply concerned about where this country is heading. Why is this invasion being allowed. What is the real reason behind this?

We want absolute transparency. Why can we not get this from the Government?

People have had enough.
