You don't often get email from [redacted] Learn why this is important

Dear Secretary of State,

I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE.

I ask that planning permission be refused.

suitability of the site.

On the grounds and concern that the spending of public money on these new governmental proposals and sites will more likely exceed previous costs on hotels and arrangements.

The evidence strongly supports this that already, the government also proposes 42 other, named sites to follow. See attached documentary evidence.

As this is a long term cost on public spending , requiring mass renovation on proposed sites, travel costs, the ongoing government plans to keep opening new sites, along with the costs of maintaining sites, running sites, staffing sites and policing any potential security or health and safety concerns by protests or other,

Would more than likely exceed the previous arrangements.

Please use this message/email rather than my previous message/email, to support my objection.

Yours faithfully,

James Broderick
