You don't often get email from [redacted] Learn why this is important

Dear Secretary of State,

I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE.

The proposed development seems far too large for such a rural and isolated location. There is limited infrastructure in the area, very little public transport, and few local services within walking distance. Its a huge concern that the size of the development is not in keeping with the character of the area and would place additional pressure on the limited facilities and infrastructure available. I do not believe the area currently has the necessary services or infrastructure to support a development of this scale.

This site has previously been considered for asylum accommodation under a smaller proposal, this was refused by an independent planning Inspector before it was later cancelled.

I do not agree that Site A is a suitable location for a development of this size.

I ask that planning permission be refused.

Yours Sincerely,

Stephanie keeler
