Dear Crown Casework Team,

Please find attached my representation in respect of the above urgent Crown development application by the Home Office for the temporary change of use of MOD Bicester (Site A), Bicester Garrison, Launton Road, OX25 1AE, to non-detained asylum accommodation.

I object to the application for the reasons set out in the attached document.
In summary,

- the application does not demonstrate that the utilities, transport, health, policing and emergency-service infrastructure required to serve up to 1,256 residents can be delivered, consented, and funded before occupation
- the welfare evidence from RAF Wethersfield and the planning history of this land in 2002–2005 weigh against the proposal
- and the representation period has not been notified to affected residents, to my knowledge.

If the Secretary of State is nonetheless minded to grant permission, I ask that the conditions and obligations set out in Section 7 of the attached be imposed.

I should be grateful for confirmation of receipt of this representation and for notification of the decision when it is made.

Yours faithfully,

Nikki Evans
