For the attention of the Secretary of State

Dear Sir

I write in support of objections to the proposal to develop land near Piddington, Oxfordshire for the purpose of housing asylum seekers.

From what I have read and understood, it seems that this is an inappropriate use of the ex-MOD depot which would involve a great deal of tax payer's money being spent. There are evidently too many problems with the site to overcome and make this a suitable place for the proposed purpose. I have no objection to help being given to genuine asylum seekers to learn our language, receive an education, to be productive and find work, so as to integrate usefully into our society. This ex-MOD site in the midst of the countryside with few suitable local facilities does not seem to me to be an appropriate place.

Yours faithfully,
