Dear Secretary of State,

I am emailing to object to the planning application, PCU/RARE/C3105/3378843, the proposed asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire.

I demand the consideration for planning permission be refused.

I have concerns about the completeness of the evidence submitted with the application. Important ecological and technical work remains outstanding, and significant questions remain around fire safety, ground conditions and the suitability of the site.

This site has also previously been considered for asylum accommodation. A smaller proposal was refused by an independent Planning Inspector before subsequently being rightfully cancelled.

Taken together, these issues mean I do not believe the applicant has demonstrated that Site A is a suitable location for a development of this scale.

Let along the poor villagers of Piddington who will have more than 3x their population grow right next door.

I therefore respectfully request that planning permission be refused.

If the Secretary of State is nevertheless minded to approve the application, I ask that no decision is made until outstanding work concerning drainage, flooding, wastewater, contamination, ecology, highways, pedestrian safety, power supply, lighting, noise, fire safety and decommissioning has been completed and made available for proper scrutiny.

Yours faithfully,
