Dear Secretary of State,

I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE.

I ask that planning permission be refused.

You will be aware that Sex is a protected characteristic and your government has also made a commitment to halve VAWG. The reality is this, housing circa 1300 unvetted men will have a disproportionate effect on the safety of women and girls . That is a fact and despite government refusing to produce figures I know the reality from my extensive career .

Secondly ministers are saying everyone should do their bit perhaps government should do their bit and do their job and stop illegal immigrants entering the country.

We're the women and girls who are asylum seekers why is it just men.

So the reality is your application disproportionately effects local women and girls and does nothing for the genuine women and girls seeking asylum.

So please do your bit as your repeatedly telling us to do our bit and protect women and girls and also look after those women and girls who genuinely seek asylum.
