Subject: Objection to planning application PCU/RARE/C3105/3378843, Site A, MOD Bicester

Dear Secretary of State,

I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE.

I ask that planning permission be refused.

I am very concerned about the security aspects of this proposal, which have not been thought through. The community is very worried about the influx of a large number of unemployed and unoccupied young men into a tiny rural community and the wider Bicester area. Recent events across the country have made it clear that a small percentage of immigrant men pose a risk to women and children where they are accommodated. BIcester has a good record of housing and caring for small groups of immigrants, but even a small percentage of 1,400 or so number is sufficient to pose a threat. People here are worried about their safety and the changes in their way of life that will be necessary to protect themselves.

The proposal is too big for an isolated rural location with little surrounding infrastructure, limited public transport and few services within walking distance.

I therefore respectfully request that planning permission be refused.

Yours faithfully,
