Subject: Objection to planning application PCU/RARE/C3105/3378843, Site A, MOD Bicester

[redacted]

Dear Secretary of State,

I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE.

I ask that planning permission be refused.

I have concerns regarding the large amount of men to be housed on the edge of our village.

We are going to be completely overwhelmed in ours & the surrounding villages.
We have one shop, and one children's playground & one public house in the centre of our village, which is at best a 5/10 minute walk from the proposed site.
These men will be allowed out of the site, and they will be wandering around, possibly in groups which will be intimidating.

There are real concerns for the children's safety and safety in our homes as these men are unvetted and yet will still be allowed to come & go as they want.

The proposed site has not been in use for years & was never used for accomodation, so a great deal of money will need to be spent to make it habitable, which I do not agree with at all.
It is totally unacceptable to expect this many men be housed in these rural sites, mostly with no amenities and out-numbering the villagers, without proper consultation & transparency over the costs involved, not to mention the extra burden on the local NHS services and public transport services which are already under tremendous strain.

We have no active Police station in Bicester & I feel sure there will be an increase in crime. What measures are put in place to protect our communities?

I therefore respectfully request that planning permission be refused.

Yours faithfully,
