Subject: OBJECTING to use of MOD Bicester as Asylum camp - PCU/RARE/C3105/3378843

[redacted]

[redacted]

PCU/RARE/C3105/3378843

I would like to object to this proposal on the grounds of:

Isolation and Transport: The site is distant from local shops and amenities, and nearby B-roads lack proper pedestrian footpaths.

Infrastructure and Utilities: Unresolved questions regarding
local water supply, electricity, gas, and wastewater treatment

Environment and Ecology: Incomplete ecological surveys and potential impacts on local wildlife (such as great crested newts), alongside concerns regarding site contamination and flooding.

Consultation Window: the limited duration of the representation period.

There are many other grounds on which to object, not the least of which is the lack of local consent for this initiative.
