Subject: Objection to planning application PCU/RARE/C3105/3378843, Site A, MOD Bicester

Dear Secretary of State, I am writing as a member of the public to object to planning application PCU/RARE/C3105/3378843, the proposed 1,256-person asylum accommodation centre at Site A, MOD Bicester, Bicester Garrison, Launton Road, Oxfordshire, OX25 1AE. I ask that planning permission be refused for the following reasons. I have concerns about the Important ecological and technical work that needs to be investigated. There are also significant flooding and drainage concerns that need to be assessed. The highway is very fast and dangerous road with no pedestrian access within the area. The proposal is also exceptionally large for an isolated rural location with little surrounding infrastructure, limited public transport and few services within walking distance.

I am very concerned about the number of single men living so close to the village of Piddington with nothing to do with their time. I am extremely worried for my young family. I understand previous applications have been have been refused. I really do not believe Site A is a suitable location for this facility. I therefore request that planning permission be refused. Yours faithfully [redacted]
