Dear sir or madam

I object to the siting of a detention centre at piddington in oxon the reason being that this village has for many years been a rural location the housing of 1200 odd migrants will vastly change the whole feel of the area [redacted] and don't trust the impending change to there and there families lifestyle with 1200 men roaming around the local area based on
Leaflets that are currently widely being handed out particularly on the beating of women and rape this is very worrying and I'm sure nobody would want this on there doorstep it's unsafe and needs to be a secure environment for everyone and I feel if this proposal takes place it would vastly affect the quality of everyone's daily lives.

Sincerely
