Aspect	**Details**
Images	
PSD Number	2610-0177
Product Type	Childcare articles and children's equipment - Baby Sleeping Pillows
Product Identifiers	Wish Listing Name: Infant Exhaust Pillow with Gentle Patting Motion for Soothing Baby Sleep 0-12M - White goose - Multicolour - x1 Wish ID: 684a4ec71794309e53c4c733
Product Description	White goose pillow with 'wings'. The product is marketed as a baby sleeping pillow and as suitable for use from birth to 12 months. The product is supplied with an electronic warming device in the 'wings' of the pillow and a remote control.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Suffocation
Risk Description	The product has been identified as presenting a risk of suffocation when used in a sleep space for babies. Pillows and soft toys are advised not to be placed in the sleep space for babies under the age of one year as their presence increases the risk of overheating and airway obstruction, which have been associated with sudden infant death syndrome (SIDS). OPSS has published a Product Safety Alert for Baby Sleep Pillows, which highlights the risk they may pose to babies: Product Safety Alert (PA8). Further information on safe sleeping for babies can be found on the NHS website at the following link: https://www.nhs.uk/start-for-life/baby/baby-basics/newborn-and-baby-sleeping-advice-for-parents/safe-sleep-advice-for-babies/ The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	The Office for Product Safety and Standards is requiring the recall of this product from end users. If you own this product, stop using it immediately and keep it out of reach of children. Contact the Wish seller (‘enthusiasm girl’) for a refund.
Online Marketplace	Wish – The listing has been removed by the online marketplace.
