Product Recall

Chamrider E-Bike Charger	
Aspect	**Details**
Images	
PSD Number	2609-0062
Product Type	Electrical appliances and equipment - Chargers
Product Identifiers	Brand: Chamrider Brand/Model: 48V8A220VE Sales period: 02/08/2026 to 13/08/2026
Product Description	Black charger for an e-bike.
Country of Origin	China
Counterfeit	Unknown
Risk Level	Serious
Risk Type	Electric shock and fire
Risk Description	The product presents a serious risk of electric shock because the internal mains wiring is inadequately insulated and can contact the accessible, unearthed metal enclosure. This could cause the enclosure to become live and expose the user to an electric shock hazard. The plug is also fitted with a non-compliant fuse that may not provide the required level of protection in the event of a fault. This could lead to the product overheating and igniting, causing a fire. The product does not meet the requirements of the Electrical Equipment (Safety) Regulations 2016 or the Plugs and Sockets etc. (Safety) Regulations 1994.
Corrective Measures	The product is being recalled from end users by EESA Star Limited. Owners of this product are advised to stop using it immediately and contact EESA Star Limited via 07460730717 / 07868503376 / eesastarlimited@gmail.com for a replacement or refund.
Online Marketplace	N/A
