Product Description	Green Minecraft-licensed children's slip-on moulded plastic clogs with heel/ankle strap and decorative charms.
Country of Origin	China
Counterfeit	No
Risk Level	Serious
Risk Type	Chemical
Risk Description	The product presents a serious chemical risk as the plastic material used for the clogs contains excess concentrations of phthalates. Phthalates may harm the health of children, possibly causing damage to the reproductive system. The battery compartment for the lights can also be easily removed, which could lead to a child accessing the button batteries during use. The product does not meet the requirements of the Toys (Safety) Regulations 2011.
Corrective Measures	The product has been recalled from end users by the retailer, F & F Stores Ltd, trading as Get Trend. Owners are advised to stop using the product immediately and keep it out of the reach of children. Contact the retailer/supplier you purchased from to request a refund.
Online Marketplace	Amazon – The listing has been removed by the online marketplace.
Notifier	Local Authority Trading Standards
