Product Recall

Britax Römer Baby Safe Pro Infant Carrier	
Aspect	**Details**
Images	
PSD Number	2611-0130
Product Type	Childcare articles and children's equipment – Baby Car/Booster Seats
Product Identifiers	Brand: Britax Römer Manufacturing date: between 26 December 2025 and 30 September 2026. **Only specified batches of the product are affected. Access Annex A (overleaf) for instructions on identifying if you have an affected product.**
Product Description	Infant carriers sold on their own or as a set together with the VARIO BASE 5Z ISOFIX base.
Country of Origin	China
Counterfeit	No
Risk Level	Not provided
Risk Type	Injuries
Risk Description	Affected batches of the product present a risk of injuries because the harness buckle may release or break when installed on the base in the reclined position. This means the child may not be properly restrained and may slip from the carrier and receive injuries. The product does not meet the requirements of the General Product Safety Regulations 2005.
Corrective Measures	Affected batches of the product have been recalled from end users by Britax Römer. Owners of a Baby-safe Pro manufactured between 26 December 2025 and 30 September 2026 are advised to visit www.baby-safe-check.com to check if their seat is affected. For support on identifying the manufacturing date, please see Annex A overleaf. For questions or concerns, please contact Britax at hello@britax.com.
Online Marketplace	N/A
Notifier	Local Authority Trading Standards
