Asset freeze: what you must do

If you know or have ‘reasonable cause to suspect’ that you are in possession or control of, or are otherwise dealing with, the funds or economic resources of a designated person you must:

1. freeze them
2. not deal with them or make them available to, or for the benefit of, the designated person, unless there is an exception in the legislation that you can rely on or you have a licence from OFSI
3. report any findings to OFSI

If you are a relevant firm you have obligations under financial sanctions.

Information received by OFSI may be disclosed to third parties in accordance with provisions set out in the Information and record-keeping section of the regulations and in compliance with applicable data protection laws.

Making available: what is prohibited

Making funds or economic resources available to a designated individual or entity subject to an asset freeze is prohibited for everyone that must comply with UK sanctions. See the starter guide to UK sanctions for more details.

Dealing with other sanctions on designated persons

The designated individuals, entities and specified ships on the UK Sanctions List may be subject to other sanctions. See the starter guide to UK sanctions for more details about these.

Enforcement and penalties

Failure to comply with UK financial sanctions legislation or to seek to circumvent its provisions may be a criminal offence.
